

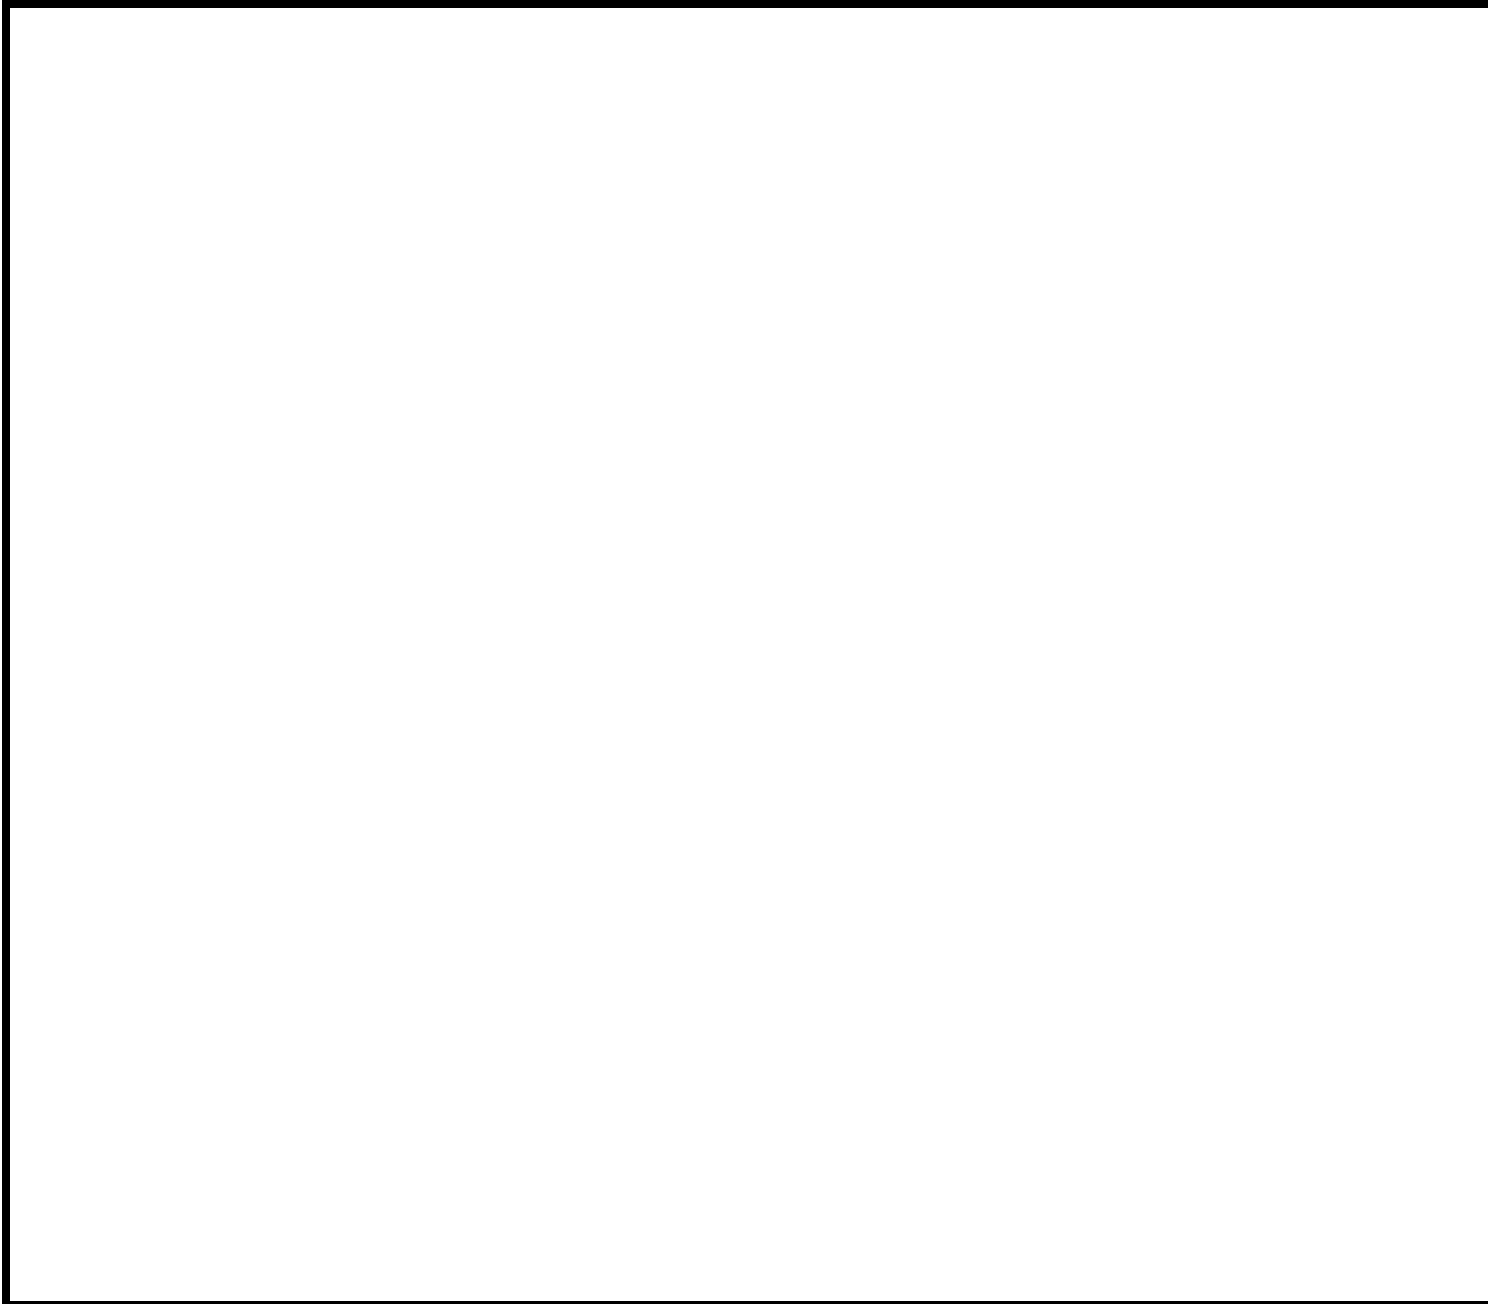

# Mapping Your Schoolyard

Your School: \_\_\_\_\_

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## Include on your map:

- Symbols from the Key including surfaces, flow of water, and storm drains.
- Partially pervious surfaces can be shown with less dots.
- Label locations of litter, pollution, and places where puddles form.
- Sketch any specific **stormwater problems** you see or are aware of.
- Sketch larger plants and bushes.
