

Neighborhood Stormwater BINGO

Name: _____

Search for each of the features below. How many can you find?

When you find an item, draw an example in the box or answer the question.

Keep an eye out during your search for an area you think helps or causes stormwater runoff.

<p>Gutter / downspout from roof</p> <p><i>Where does the water go when it leaves the gutter?</i></p>	<p>Ditch or Bioswale</p> <p><i>Where does water in the ditch go?</i></p>	<p>People walking by</p> <p><i>Ask them what happens to the rain here when it storms.</i></p>	<p>Stormwater pond, lake, stream or creek</p> <p><i>Where do you think this water came from?</i></p>
<p>Water coming out of a pipe</p> <p><i>Where do you think the water comes from?</i></p>	<p>Trees</p> <p><i>What do you notice around the tree? Draw it!</i></p>	<p>Storm drain</p> <p><i>Do you see anything IN the drain or on top of it? Draw it!</i></p>	<p>Something that stores rainwater for later use (rain barrel or cistern)</p> <p><i>What is the water used for?</i></p>
<p>Garden that could hold water (rain garden)</p> <p><i>What kinds of plants are growing in there?</i></p>	<p>Lawn or Playing Field</p> <p><i>Pour some water on the grass. Does it soak in quickly or slowly?</i></p>	<p>Oil on the ground</p> <p><i>Where is this oil going to end up when it rains?</i></p>	<p>Pour some water! <i>(you choose where)</i></p> <p>Where did you pour it?</p> <p>What did it do?</p> <ul style="list-style-type: none"> <input type="radio"/> Soak in <input type="radio"/> Stay on surface <input type="radio"/> Run downhill
<p>Sloped ground</p> <p><i>What do you see that might slow the water down?</i></p>	<p>Interesting Find (you pick!)</p> <p><i>Something that has to do with water.</i></p>	<p>Animals interacting with water</p> <p><i>What are they doing?</i></p>	<p>Paved surface</p> <p><i>Pour some water on it: Where does it go?</i></p>
