

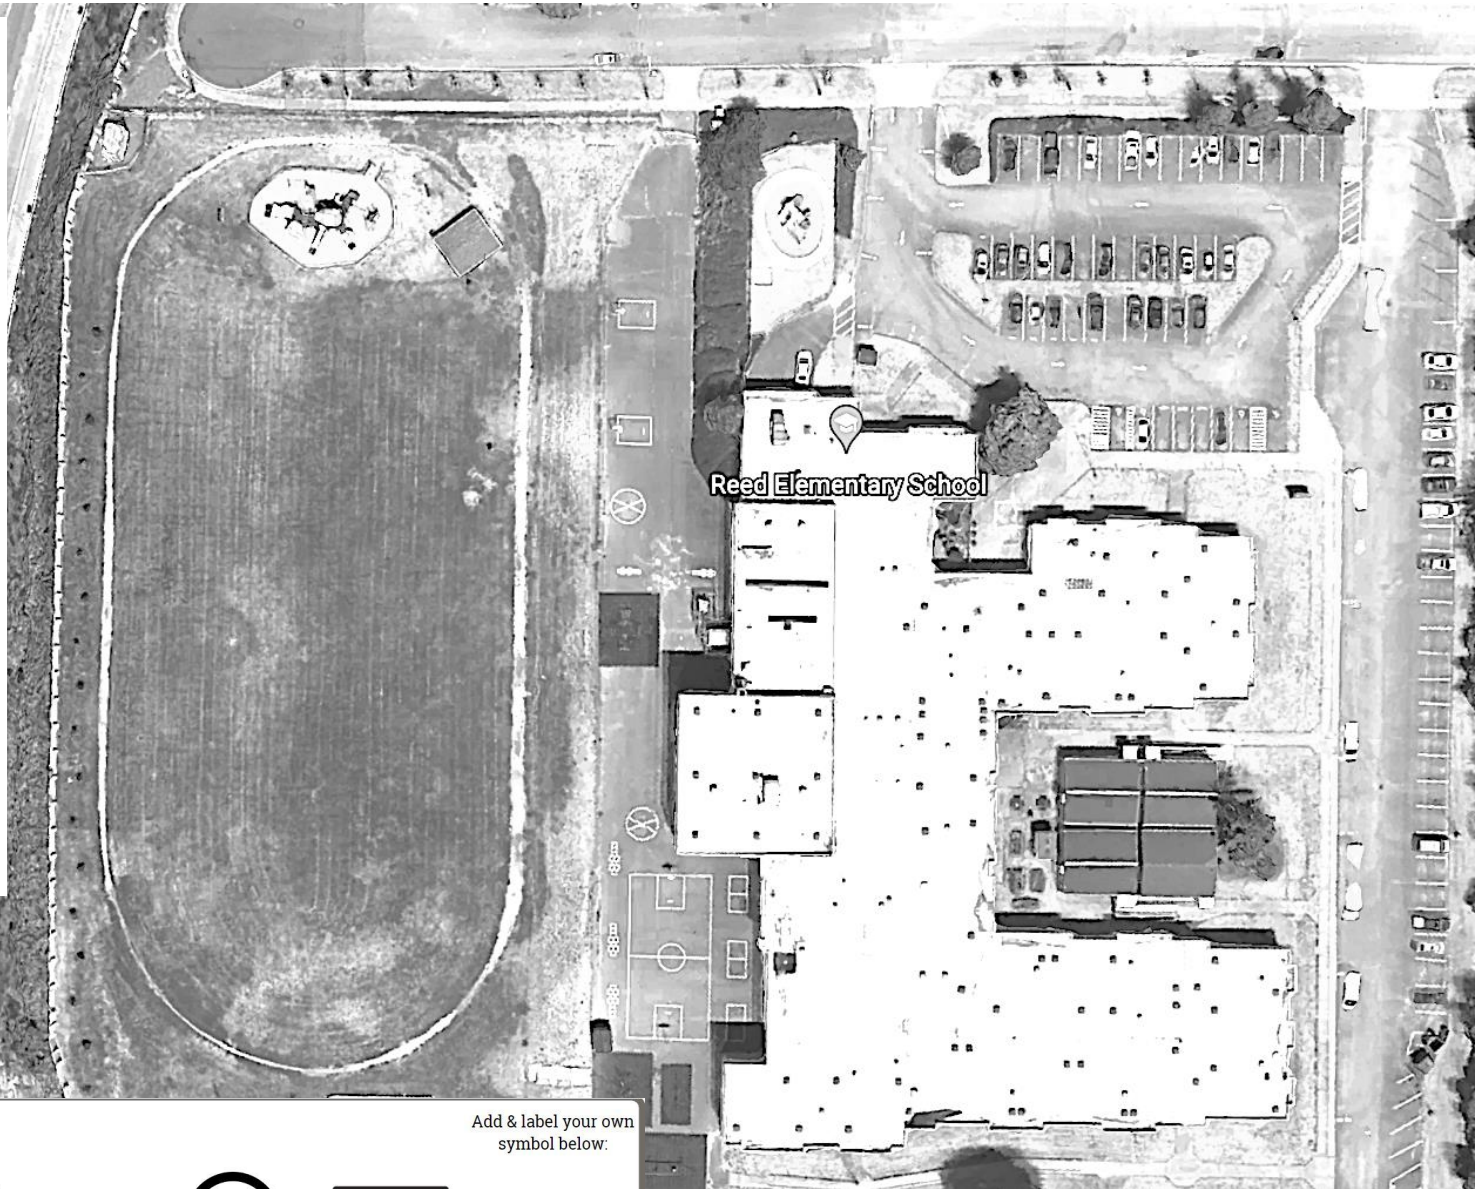

Mapping Your Schoolyard – Reed Elementary

Name: _____ Date: _____

Include on your map:

- Symbols from the Key including flow of water, erosion, and storm drains.
- Show where you see any evidence of possible stormwater problems (this could be places where there's lots of erosion or big puddles, or oil from cars, etc).
- Add larger plants and bushes if they are there.

Map Key

Direction of water runoff

Puddle

Erosion

Possible Stormwater Problem

Storm drain

Add & label your own symbol below:
