

Mapping Your Schoolyard – Skyline

Name: _____ Date: _____

Include on your map:

- Symbols from the Key including flow of water, erosion, and storm drains.
- Show where you see any evidence of possible **stormwater problems** (this could be places where there's lots of erosion or big puddles, or oil from cars, etc).
- Sketch larger plants and bushes if they are there.

Map Key

Add & label your own symbol below:

Direction of water runoff

Puddle

e

Erosion

Possible Stormwater Problem

Storm drain
