

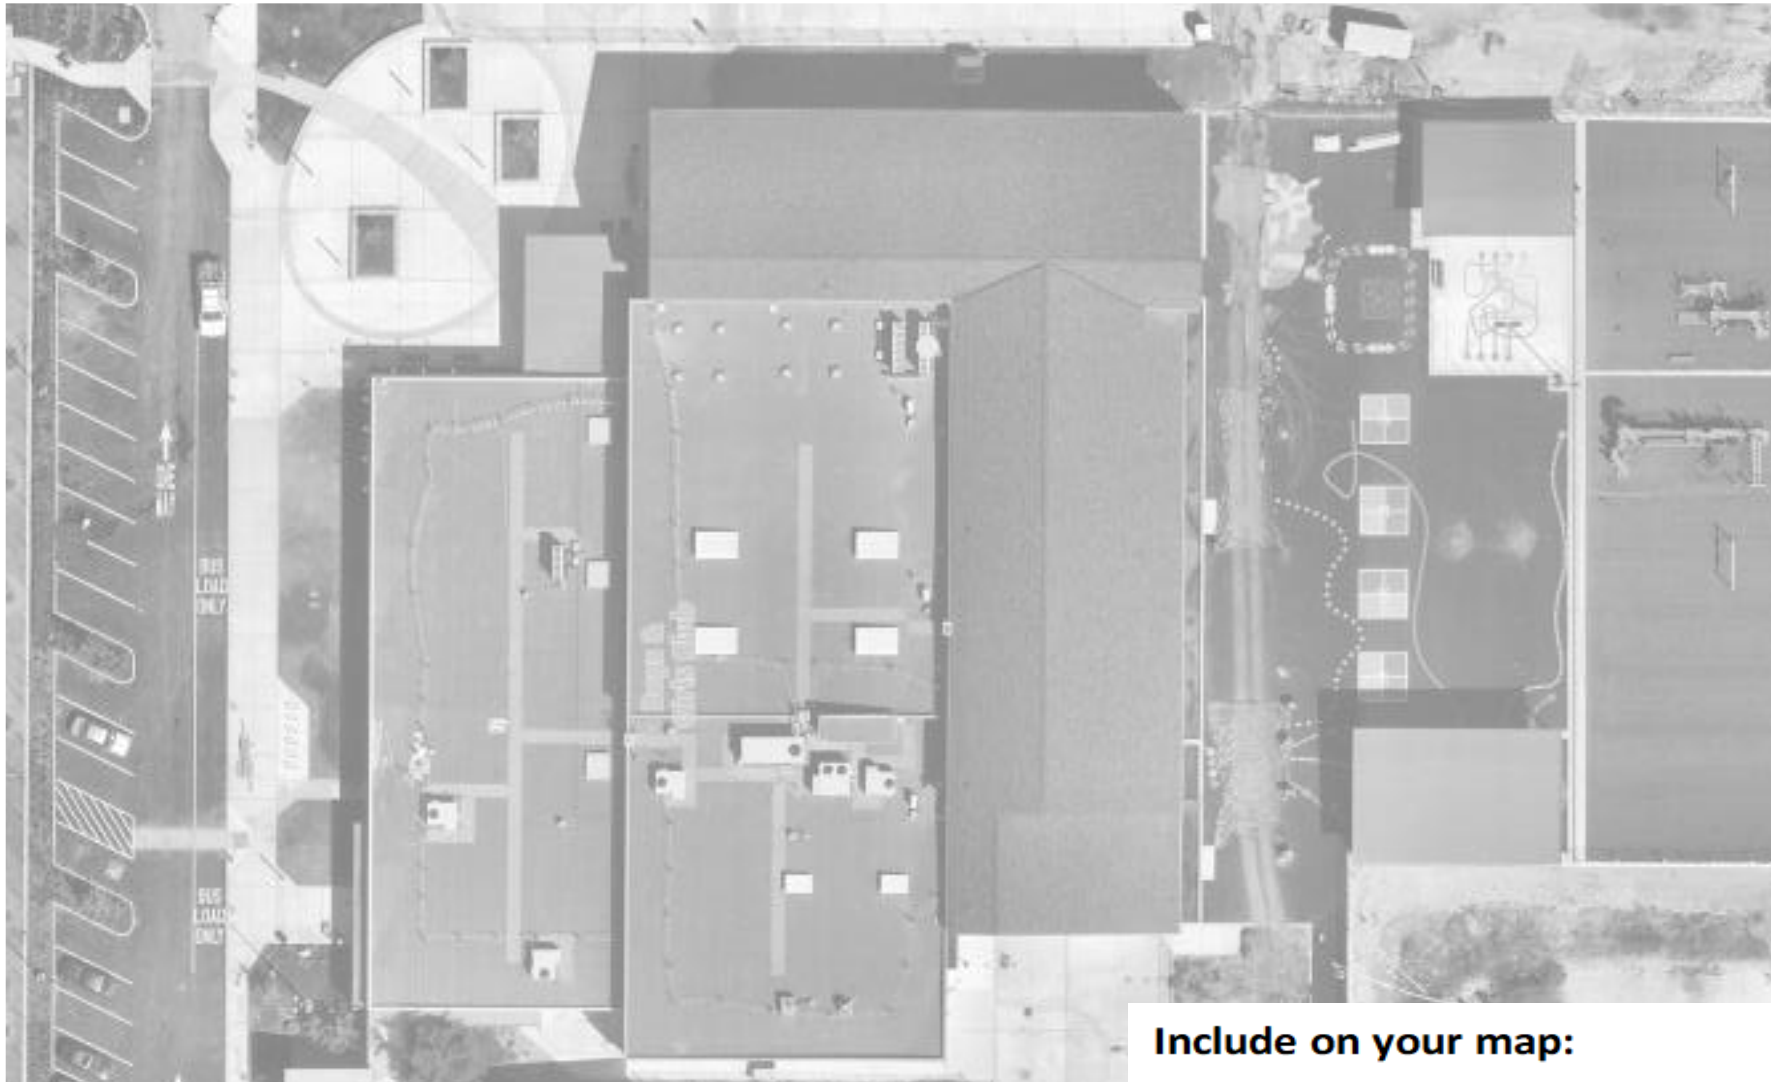

Mapping Your Schoolyard – Downing

Name: _____ Date: _____

Map Key

Direction of water runoff Puddle Erosion Possible Stormwater Problem Storm drain

Add & label your own symbol below:

Include on your map:

- Symbols from the Key including flow of water, erosion, and storm drains.
- Show where you see any evidence of possible **stormwater problems**(this could be places where there's lots of erosion or big puddles, or oil from cars, etc).
- Add larger plants and bushes if they are there.
