

Mapping Your Schoolyard – Grant

Name: _____ Date: _____

Map Key

 Direction of water flow

 Puddle

e Erosion

 Possible Stormwater Problem

 Storm drain

Add & label your own symbol below.

Include on your map:

-Symbols from the Key including flow of water, erosion, and storm drains.

-Show where you see any evidence of possible **stormwater problems** (this could be places where there's lots of erosion or big puddles, or oil from cars, etc).

-Add larger plants and bushes if they are there.
