

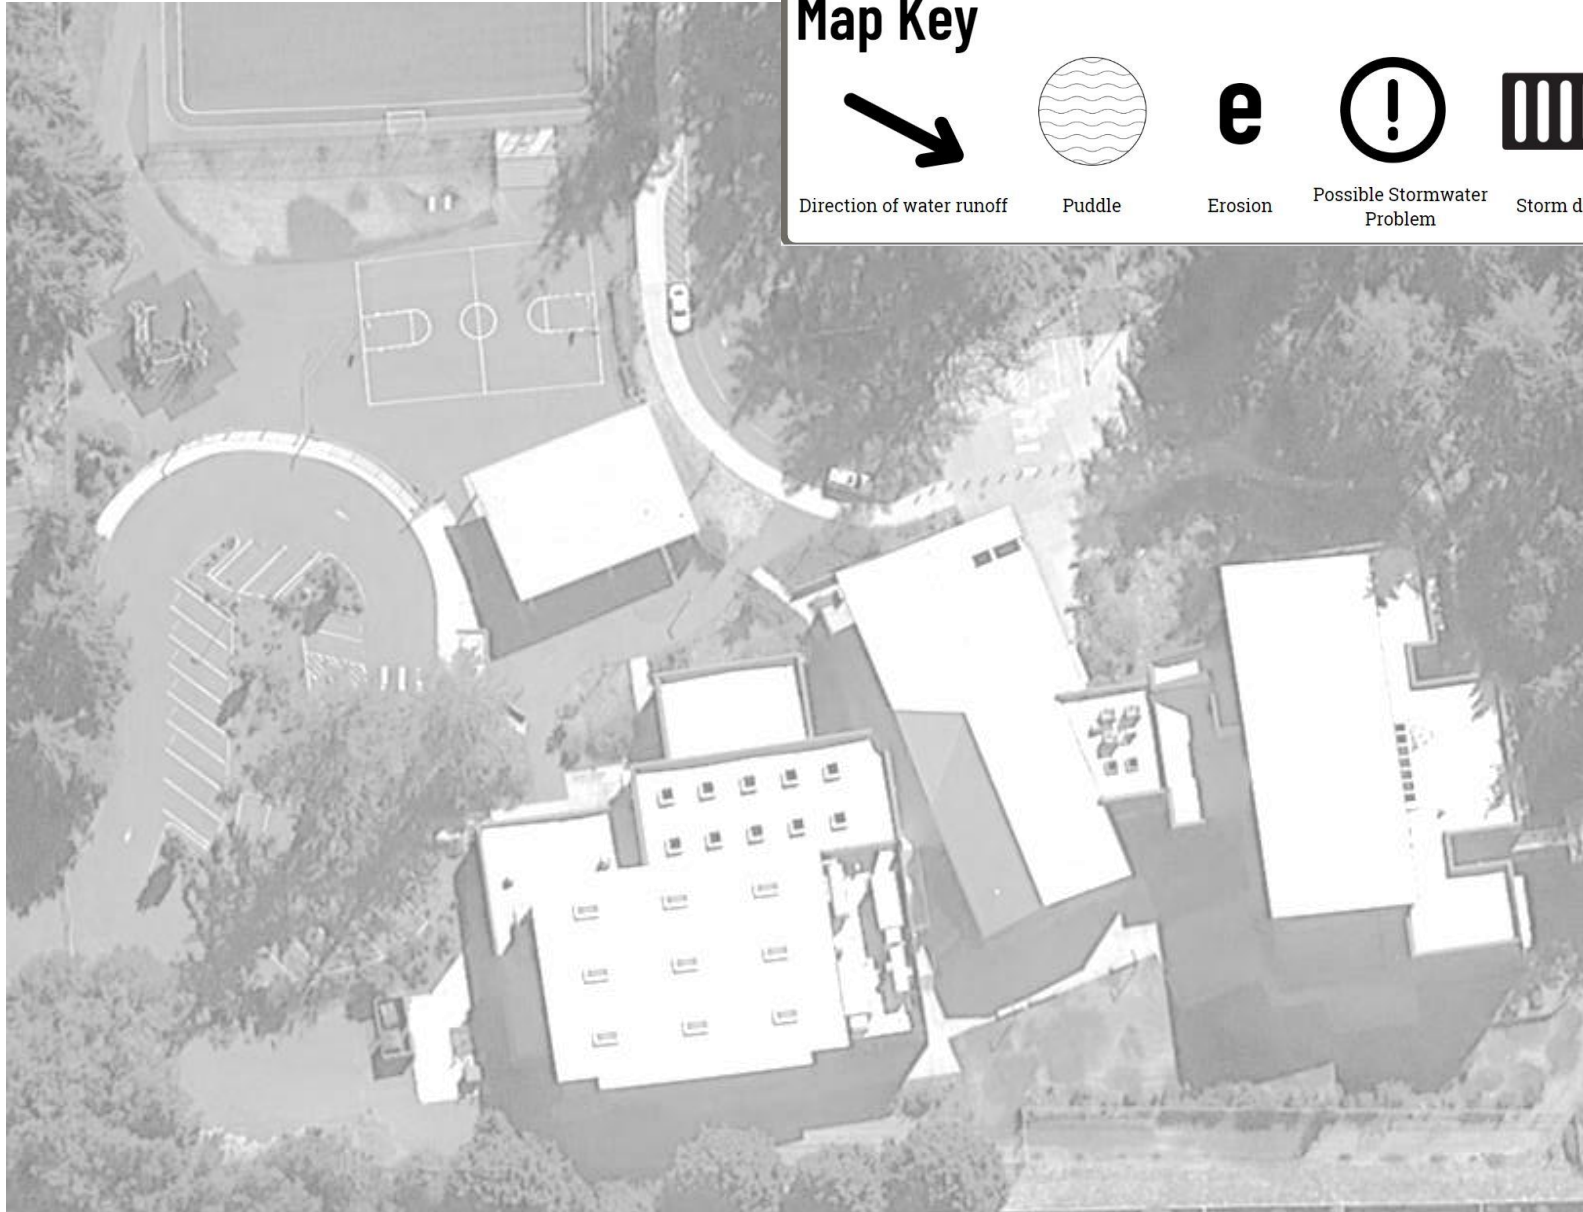

Mapping Your Schoolyard – Wainwright

Name: _____ Date: _____

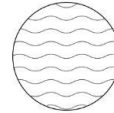

Map Key

Add & label your own symbol below:

Direction of water runoff

Puddle

e

Erosion

Possible Stormwater Problem

Storm drain

Include on your map:

-Symbols from the Key including flow of water, erosion, and storm drains.

-Show where you see any evidence of possible **stormwater problems** (this could be places where there's lots of erosion or big puddles, or oil from cars, etc).

-Add larger plants and bushes if they are there.
